Hello all,

We would like to thank everyone for their participation and proactive discussions at our last Interagency Coordination Meeting regarding Oil/Gas. We are currently at 39 folks on the participant list.

LACDPH is continuing to ask all agencies to please reply to all regarding any planned or unplanned AllenCo activities. Thank you to DOGGR. We are asking so that LACDPH may be on site representing Health Officer authority, health and safety of the community, and any reporting needed to the LA County Board of Supervisors.
